Art. 9 - RIGHT OF WITHDRAWAL AND RETURNS POLICY

9.1. A European Buyer who is a Consumer ("Consumer Buyer") may exercise the right of withdrawal by returning the received goods in their original packaging, complete with all documents/technical sheets and labels, and obtaining a refund of the price paid. Natural or legal persons conducting a commercial or professional activity (Professional Customers) or which, in any case, include a VAT number on the relevant order form, are therefore excluded and do not benefit from the right of withdrawal.

9.2. The Consumer Buyer who, for any reason, is not satisfied with the purchase made, has the right to withdraw from the contract, without penalty and without specifying the reason, within 14 calendar days of receipt of the purchased goods. The right of withdrawal must be exercised in accordance with the mandatory conditions established by ARMARE.

COSTS TO BE BORNE BY THE CUSTOMER

9.3. All product return costs are borne by the Customer who, either directly or by other means, must arrange to deliver them to the Supplier at Via A. Meucci 3 - 33058 San Giorgio di Nogaro (UD) - Italy; all items must be returned in the condition received, together with the original packaging, all documents/technical sheets and all labels comprising part of the primary wrapping and original packaging. Goods cannot be returned in any other way. In all cases, the Consumer Buyer is only responsible for any reduction in the value of the goods caused by handling them in a manner different to that necessary to establish their nature, characteristics and functioning.

WITHDRAWAL PROCEDURE

9.4. In order to exercise the right of withdrawal, the Consumer Buyer must, by the deadline indicated in art. 9.2 (14 calendar days from receipt of the purchased goods), send a specific communication to info@armare.it using the following FORM. Notices of withdrawal sent by different means must contain the information required by the above form (personal identification details of the Customer, contact details, indication of the goods to be returned, order number and date, date of receipt of the purchased goods).

EFFECTS OF WITHDRAWAL

9.5. ARMARE will accept the returned goods, reserving the right to check that they have been returned in their original state, without signs of wear and with all original packaging and labels. Solely in that case, ARMARE will reimburse the amount paid by the Buyer for the purchase of the products, or the different amount due if their value is reduced pursuant to art. 9.3, within 14 days of being informed about the withdrawal. The price will only be reimbursed in full if the items are returned together with the original packaging, all documents/technical sheets and all labels that are part of the original packaging and wrapping. If damaged products or products with obvious signs of use are sent back, the return will not be accepted; as a consequence, they will be shipped to the Customer again (at the address given at the time of purchase) and the purchase price will be retained as reimbursement.

Yours faithfully, (signature).....
